

JUDGE'S REPORT

Firstly, thank you to NSW Branch for the judging invitation. Thank you very much to the stewards and organizers for a very well run day. How wonderful to see such a great turn out of well cared for and groomed dairy goats for judging at the 50th Annual NSW Branch Show; on a very pleasant summer's day after a week of scorching temperatures.

The doe that took my eye from the very beginning of the day and ended up Supreme Exhibit was Blue Brook Janette owned and bred by Luke Lohman, a beautiful 6 year old Toggenburg milker with a well shaped capacious udder, lovely top line well blended throughout.

My Junior Champion All Breeds was a very stylish Anglo-Nubian closely pursued by the Saanen.

Champion Doe kid was also a very eye catching Anglo-Nubian kid. She just oozed style and class and had the typical regal aristocratic bearing of the Anglo-Nubian.

Congratulations to her young owner, who did an excellent job of showing her all day.

I was very impressed with the excellent line up of 1st lactation Toggenburg milkers, all displaying superb udders.

Also very impressive were the Australian Brown and Australian Melaan milkers, comparing very favourably with some at other shows.

Thank you to the exhibitors for bringing your goats for my appraisal, and for having them in such pristine condition.

Congratulations to all owners and breeders!!

It was great to have some of the original exhibitors from the first Branch Show in attendance at this 50th Annual NSW Branch Show.
